

A silver ballpoint pen lies diagonally across the upper left portion of the page. A bright yellow sticky note is attached to the pen's barrel, partially overlapping the title area.

AFTER YOU PAINT

Handling Art Quiz

After watching the lecture on handling your artwork, see how you do on the following true or false questions. This is just a quick check on your retention.

1. Washing your hands makes your hands safe for handling artwork for long periods of time.

T F

2. Paintings are at their most vulnerable when being moved.

T F

3. The best way to carry a framed painting is by the hanging wire.

T F

4. When carrying art, the painting image should face outward.

T F

If you would like more information on the oil in your skin and art preservations, here is a link to a helpful article:

<https://resources.culturalheritage.org/conservators-converse/tag/finger-oil/>

And a rather tongue-in-cheek article as well:

<https://www.scientificamerican.com/blog/symbiartic/how-to-destroy-art/>
